Great Line Travel www.greatline.ee

This tour of the three Baltic States offers a wide variety of culture and unspoiled nature. The cities are late medieval districts that are reasonably intact considering all of the wars and turbulence they have survived. The tour includes the three capital cities – Vilnius, Riga and Tallinn – with their Old towns designated as World Heritage Sites by UNESCO and the famous summer resort city Pärnu and beautiful Estonian island of Saaremaa. Travel from Lithuania in the south through Latvia and on to Estonia in the north, experience a wide variety of towns, villages and countryside for an excellent introduction to the very distinct characters of these quite different countries.

Baltic countries are famous for their rich nature, cultural heritage and beautiful sights. Over half of Baltic territory is covered by forests and lakes. Bird-watching is becoming increasingly popular in Baltic countries: nature lovers go out into the wild in order to observe birds. Baltic countries lend themselves well to such an activity, since as a countries with a seacoast, many lakes, rivers, vast forests and floodplain meadows, it is suitable for many species of migrating birds. Altogether, 344 bird species have been registered in Baltic countries. During this tour you will visit many attractions that will give you full overview of Baltic nature and wildlife.
